

Gold Button Cufflinks | Twisted Thread X Motif | Italian c.1950s POA

A sleek pair of mid century cufflinks, made in rich 18ct gold and designed with a stitched button in mind.

Each round face is engraved with a clean, recessed “X”, a nod to traditional threadwork, reimagined here in precious metal.

Likely Italian, and made around the 1950s.

The gold has a warm, mellow finish, and the design is timeless, and effortlessly stylish.
