

## Gold Button Cufflinks | Twisted Thread X Motif | Italian c.1950s POA

A sleek and quietly playful pair of mid-century cufflinks, made in rich 18ct gold and designed with the crisp geometry of a stitched button in mind.

Each round face is engraved with a clean, recessed “X”, a subtle nod to traditional threadwork, reimagined here in precious metal.

Likely Italian, and made around the 1950s, the design is minimalist but full of intention.

The gold has a warm, mellow finish, and the proportions are just right, enough weight to feel solid, but never overstated.

They're timeless, tactile, and effortlessly stylish, the kind of cufflinks you don't need to explain, but always enjoy wearing.

Understated luxury with a clever twist.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
