A late 19th Century Swiss quarter repeating lever in a gold full hunter with concealed automated erotic scene. Damascus nickel plated three quarter plate keyless movement with going barrel. Plain cock with polished steel regulator, compensation balance with blue steel overcoil hairspring. Club foot lever escapement. Slide quarter repeating on two polished steel gongs. White enamel dial with subsidiary seconds, Roman numerals, decorative gilt hands. Plain 18 carat rose gold full hunter case, gold repeating slide in the band, maker's mark "PF" in an oval. A sprung second lid to the gold cuvette conceals an erotic scene of parcel gilt figures on a background engraved with table and interior of a room.
