

**Victorian Pinchbeck Sautoir | 160cm Faceted Bauble & Braided Rope Chain | English c.1880s.
POA**

A dramatic Victorian sautoir, made in England around the 1880s, measuring an impressive 160cm in length.

This versatile chain is crafted from warm faceted Pinchbeck baubles, each one catching the light with a warm, golden glow, and hand-braided rope of textile core woven with sparkling gilt thread.

It's light, flexible, and easy to style, wear it long, wrap it twice, three times, or knot it.

Original chains like this from late 19th century rarely survive in such good condition and it's as wearable now as it was over a century ago.
