

## **Natural Pearl Chain Necklace | Two-Tone Twisted Gold & Platinum | English c.1920s POA**

A beautiful and quietly exquisite necklace, made in England in the 1920s, understated, easy to wear, and full of thoughtful detail.

It's crafted in alternating sections of 18ct yellow gold and cool-toned platinum, linked in gentle twists that catch the light as they move.

Between each section sits a small, natural pearl - soft and luminous, adding rhythm and perfectly placed.

Each element chosen with care, each link working in harmony and balance: just gold, platinum, pearl in graceful repeat.

At 45cm, it rests just below the collarbone - a flattering, easy-to-wear length that feels as effortless now as it would have in the 1920s.

And today, it remains just as relevant, and made to be worn - easy to layer if you want and wearable with silk, denim, or skin.

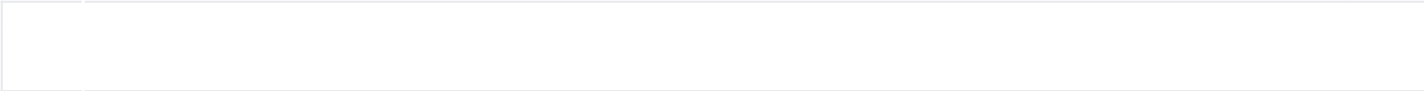

A necklace to wear again and again - timeless, graceful, and never overstated.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
