

**Art Deco Rock Crystal Heart Gold Necklace in with Sapphire Set Chain,
c.1930s
POA**

A beautiful Art Deco necklace dating to the late 1930s, featuring a large faceted rock crystal heart suspended from a decorative 9ct gold chain.

The chain is formed of pierced geometric gold links, each side accented with small sapphires that add subtle flashes of blue. The rock crystal heart measures approximately 3cm and softly catches the light beautifully.
