

Sapphire & Diamond Necklace | Platinum Belle Époque | French c.1910 POA

An exquisite Belle Époque necklace, likely made in France around 1910.

A 1ct natural cornflower blue sapphire is suspended from an articulated drop of bright old cut diamonds, over half a carat, 3.3cm below a diamond set bow and finished with fine millegrain edging. The platinum pendant hangs from a 36cm paperclip chain.

A romantic and graceful piece, perfect as a bridal necklace, and timeless enough for everyday elegance.
