

## Set of fine reticulated Meissen plates

### POA

Set of 6 exceptional 19th century Meissen reticulated cabinet plates, the central cartouches painted with different equestrian scenes after Philips Wouwerman, a prolific 17th century Dutch artist. Decorated on a rich cobalt blue ground picked out in gold, the reticulated rims pierced with trellis and vine applied with flower heads, circa 1880

Origin	German
Period	19th Century
