

**Burmese Ruby & Pearl Cluster Ring | 18ct Etched Gold | Victorian
c.1890s
POA**

This c.1890s Victorian cluster ring centres a vivid, unheated Burmese ruby of approximately 0.5 carats.

Its deep, almost crimson hue appears to glow from within, framed by a perfect halo of luminous pearls, likely natural and consistent with the ring's period origin.

The craftsmanship is exceptional, with a finely spiral etched gold shank formed of three elegant bands.

Size I
