

Opal and 15ct Gold Ring | Signed Louis Cadby | Australian c.1910s POA

A rare early 20th century opal ring by Australian goldsmith Louis Cadby, made around the 1910s, with a design that feels strikingly modern.

Set in 15ct gold, the luminous cabochon opal shifts with the light, revealing tones of lilac, ice blue, green, and vivid orange red.

The smooth broad gold band and minimalist bezel let the opal take full focus, and its simple design feels very much ahead of its time.
