

**Victorian Peridot, Pearl & 18ct Gold Sunburst Brooch-Pendant | 6.5ct |  
c.1880  
POA**

An unusual and joyful sunburst brooch from the 1880s, set with vivid green peridots and natural seed pearls in 18ct gold.

The centre stone weighs around 6.5 carats, and each curling ray is studded with pearls and smaller peridots, giving the piece real movement and light.

It would have been worn as both a pendant and brooch - elegant during the day, striking at night.

A warm, optimistic piece with plenty of presence, still full of life nearly 150 years later.

4cm long
