

**Smoky Quartz & Diamond Oyster Shell Brooch | 18ct Gold Fitting |
Victorian c.1880s
POA**

Carved in luminous smoky quartz and set with a sparkling old cut diamond, this beautifully made Victorian brooch takes the form of an open oyster shell, a poetic symbol of hidden beauty and feminine strength.

It's small at 2.5cm wide, but witty, 0.40ct diamond where a pearl would be expected to sit.

Today, pinned to a cashmere jumper or a neckline, it's still witty and still effortlessly chic.
