

## **Art Deco Rock Crystal & Pearl Dress Clips | Silver with Diamond Accents | Austrian c.1930s POA**

A dazzling pair of Art Deco dress clips, crafted in silver and set with carved rock crystal, pearls, and delicate diamond accents, made in Austria around the 1930s.

Each clip features a bold architectural design with stepped edges and finely carved crystal panels, softened by the iridescence of pearls and the sparkle of rose cut diamonds.

Originally worn at the neckline, on lapels, or clipped to evening gowns, dress clips were the ultimate versatile accessory, beloved by screen stars and fashionable women across Europe.

Marked B&B, 800 silver, and stamped with the Austrian toucan mark for Vienna made silver.

Still as glamorous and wearable today, together or apart.
