

## **Art Deco Rock Crystal & Pearl Dress Clips | Silver with Diamond Accents | Austrian c.1930s POA**

A dazzling pair of Art Deco dress clips, crafted in silver and set with carved rock crystal, natural seed pearls, and delicate diamond accents, made in Austria around the 1930s.

Each clip features a bold architectural design with stepped edges and finely carved crystal panels, softened by the iridescence of pearls and the sparkle of rose-cut diamonds.

The contrast is striking: clear geometry meets organic shimmer, a hallmark of late Deco elegance.

Originally worn at the neckline, on lapels, or clipped to evening gowns, dress clips were the ultimate versatile accessory - beloved by screen stars and fashionable women across Europe.

These Austrian examples are especially refined: crisp in detail, restrained in palette, and rich in texture.

Marked B&B, 800 silver, and stamped with the Austrian toucan mark for Vienna-made silver, they're a testament to both craftsmanship and design pedigree.

Still wearable today, together or apart, they bring a touch of Old World glamour with a distinctly modern edge.

Perfect for collectors, stylists, or anyone who appreciates jewellery with poise, presence, and history.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
