

## **Silver & Gold Egyptian Revival Ring | Blue Apatite Cabochon | c.1970s POA**

A bold Egyptian Revival ring made in silver with gold detailing, set with a deep blue apatite cabochon.

The stone sits high in a sculpted bezel, framed by two stylised lion heads. It's a strong, architectural design with a clear nod to ancient motifs.

Likely made in the 1970s, the ring reflects the period's interest in symbolism, mythology, and statement jewellery.

The colour of the apatite is especially striking: bright, glassy, and unusual for the time, and works beautifully against the darker silver and gold.

This is a ring with presence: unusual, slightly theatrical, and made to be worn by someone with confidence.

UK size O. Very good vintage condition.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
