

**Hammered Silver Fringe Collar Ornament | Studio Modernist Design |  
English c.1970s  
POA**

A 1970s hammered silver collar ornament, designed to hook over the neckline of a dress or top, not quite a pendant, not a brooch, but something in between.

The softly textured silver body tapers into a fringe of gold tone rods that move gently as you wear it.

Despite its scale and the unusual collar hook fastening, it's surprisingly easy to wear.
