

Downstairs at Grays, a remarkable Oval Sapphire & Diamond Cluster Ring mounted in Platinum, French, Circa 1935
£15,650.00

A very striking and remarkable large Oval Sapphire & Diamond Cluster Ring, This beautiful ring is centrally four raised claw set with an extraordinary Deep Blue Oval Natural Sapphire which has been estimated, by an Independent Gemologist, as weighing 6.00 Carats, with an indication of Moderate Thermal Enhancement. This beautiful Sapphire is surrounded by twelve (12) slightly scalloped edged set 'Old Cut' Diamonds totalling 3.00 Carats and of G - H Colour & VS - SI Clarity.

This extraordinary ring is accompanied by a Gemological Report confirming the above assessment.

It should be noted that slightly treated or moderately treated Sapphires are often commensurate with Gems produced in Jewellery manufactured post 1915.

French.

Circa. 1935
