

Modernist Sculptural Silver Ring with Enamel Detail | c.1970s–Early 1980s

POA

A bold and beautifully abstract modernist ring in solid sterling silver, featuring a fluid, layered wave design.

Subtle accents of deep blue and soft rose enamel peek between the silver forms, adding a sophisticated hit of colour.

Hallmarked PONT 925 and size J 1/2, this sculptural piece reflects the experimental studio silverwork of the 1970s and early '80s, a time when form and artistry took centre stage in contemporary jewellery.

A distinctive, very cool and wearable work of art with strong mid-century echoes and real attitude.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
