

A Bangle and Earclip Suite of Stylised Elephant design Offered By The Gilded Lily
£16,500.00

A beautiful, decorative suite of jewellery made in Italy in the 1980's. These flamboyant pieces are mounted in 18 ct yellow and white gold and the relief design of marching elephants is enhanced with pave set fine white diamonds. The gold work is both polished and textured to emphasise the contrasting elements. The bangle has sprung sections for ease of use and the system requires no clasp. The large disc earclips feature the same Elephant design. The overall effect is exotic and fun while stating eloquently the wearer's environmental concerns and credentials.
