

Silver & Amethyst Sculptural Bangle by Kultaseppä Salovaara | Finland c.1973 POA

A striking sculptural bangle by Kultaseppä Salovaara, crafted in Finland in 1973 and hallmarked with the firm's polar bear mark.

Made in solid silver, the design features three vibrant amethyst cabochons set in deeply modelled, architectural mounts - bold, modernist forms that play with light and shadow.

There's a sculptural rhythm to the piece: sharp ridges, softened arcs, and the vivid contrast of purple against matte silver.

The inner band measures 6.5cm x 5cm, with a secure clasp and safety chain.

Ideal for collectors of Nordic modernism or anyone who favours strong, graphic jewellery with serious presence.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
