

Large Victorian Diamond Crescent Ca 1880
£13,800.00

A magnificent Victorian Diamond Crescent pendant, in Silver on Gold, Ca 1880. The carat weight is estimated to be 9-10cts, of G colour and VS clarity. The top has a lovely silver patina and the back has tested 18ct yellow gold. The Diamonds are 'Old mine' cuts and are very clean, lively, and sparkly. This is a very high quality Diamond Crescent, with a large diamond content. Layaway options available.
