

Stylish, Art Deco Ring Ca1920-35
£3,450.00

A stylish Art deco ring with old mine cut and transition cut diamonds. The main central diamond measures 0.65cts and of G colour, VS clarity, estimated , and is claw set. The smaller side diamonds are well matched and of similar quality. The diamonds are bright and sparkly. To the far end, is pretty flower engraving, which leads to a plain shank. Ring can be resized. Pop the question with this one! Layaway options available.
