

Old Cut Diamond 18ct Gold & Platinum Ring | English c.1920s POA

timeless and romantic early Art Deco diamond ring, crafted in England in the 1920s and set in 18 carat gold with a sculpted platinum setting.

At its centre is a 0.65 carat old European cut diamond, held in a scalloped platinum collet, fanning out around the stone like petals, and elegant hand finished floral pierced shoulders.

Would make a unique engagement ring and heirloom.

Ring size P 1/2
