

### **19th Century Stone Cameo Brooch**

**£3,950.00**

A wonderful example of a mid 19th century stone cameo. The carver's art depicts a lady in the classical manner making use of the different colours of the original stone. The cameo is of Italian origin and set as a gold and enamel brooch by an English goldsmith and engraved with the date 2nd Feb 1866.
