

Rock Crystal & 18ct Gold Ring | Georgian c.1800s POA

A wonderful Georgian rock crystal ring, featuring a cushion cut rock crystal in a foiled closed back setting, designed intensify its shimmer in candlelight.

Framed by a rock crystal on each side and set in 18 carat gold with finely detailed shoulders.

Made in England around 1800 and as beautiful and wearable today as it was 225 years ago.

Ring size: P½
