

Rolex GMT Master II 16710 Pepsi Oyster £12,950.00

Rolex GMT Master II with the distinctive blue and red bezel is probably the most recognised GMT watch on the planet.

This steel model 16710 with a 40mm case size and Oyster link bracelet and folding clasp is in super mint condition. It has the Superluminova Swiss Made dial and houses Rolex's calibre 3185 automatic movement.

Supplied with its original Rolex papers dated December 2000 and Rolex box.

Antique ref: 16710
