

White jadeite monkey perfume vase POA

Such a beautiful burner is made of rather expensive and valuable white jadeite hardstone. Such vase simply amazes with its uniqueness and originality. It should be noted that it is a white jade that is characterised by especially strong magical and healing properties. It is capable of almost everything. That is why such a mascot is a universal gift. Refined lines, neat and precise stone carving shows a high level of skill and many years of carver experience. The vase is made of solid stone, entirely by hand. Unique style, stone carving distinguish this product from a number of others. Also, pay attention to its colour and unique image. The vase has an oval shape, on the front side of which there is a very unusual pattern. There are people in the forest. A small group is climbing on the trees, searching for fruits. This is a classic plot from ancient literature. People are united by a mutual goal and altogether are looking for food.
