

Chinese carves jade birds artwork
POA

The paired sculpture of birds is made of natural transparent jade of light green colour. This stone sculpture is presented on the wooden stand with which it is sold. Thin, graceful lines, unique curves, realistic execution of the image are simply amazing and leaves no doubt about the excellence of skills of the carver. It is known that birds symbolise freedom, strength and desire for new achievements, changes. They call us to change the usual way of living and to discover new opportunities. Just spread your wings and fly into the unknown just like a bird. Therefore, this mascot is recommended to place in the area of self-development and personal growth. Acquiring such a mascot, you attract opportunities for all possible changes in your life. It will make you happy and give you a feeling of freedom in life.
