

**A "Black and White" Cocktail Ring Offered by The Gilded Lily Jewellery
£7,500.00**

A striking modern ring of unusual design, made for The Gilded Lily in a specialist atelier in Italy. The centre cluster is laser cut and lapidated to achieve an invisibly set appearance. It is surrounded by pave set, fine white diamonds which tumble over the side of the bezel. Suddenly the setting changes on the lower gallery to contrast with close set black diamonds covering the entire lower surface and the visible half of the shank. A beautiful, unique ring made for a true individualist.
