

Antique Diamond Drop Earrings Silver Upon Gold, 11.65ct, Circa 1810 POA

A pair of early 19th century diamond drop earrings, with the top pair of diamonds weighing approximately 1.50ct each, in our opinion the colour is J and our opinion of the clarity is VS1 and SI1. The two pear shape drops are GIA certificated 4.58ct J colour, VS1 clarity and 4.07ct I colour, SI2 clarity, in cut down settings, mounted in silver-upon-gold, made in England, circa 1810.

Origin	British
