

Art Nouveau Turquoise 18ct Gold Pendant | Archibald Knox for Liberty & Co. | English c.1900s POA

Designed by Archibald Knox for Liberty & Co. in the early 20th century, this Art Nouveau pendant is sculpted in 18ct gold, with the clean, flowing lines and subtle Celtic influence Knox was known for.

At its centre sits a vivid turquoise cabochon, naturally marked with matrix, its organic colour contrasting beautifully with the gold's soft gleam, and a single pearl drop is suspended beneath, adding gentle movement.

Made as part of Liberty & Co's Cymric range, an exclusive line of fine jewellery that blended high craftsmanship with artistic innovation during one of the company's most creative periods.

In excellent condition. Beautifully wearable, highly collectible.

Chain not included.
