

David Webb Rock Crystal, Diamond And Enamel Ring

£18,000.00

A vintage David Webb bombé style ring, comprised of a raised rock crystal centre, carved to create a ribbed design, with three columns of round brilliant-cut diamonds set within it, and black enamel shoulders, all mounted in platinum and 14ct white gold. Stamped "WEBB". Circa 1980.

The estimated total diamond weight is 1.40 carats.
