

Emerald Diamond And Platinum Ring 2.00ct £15,000.00

A modern emerald and diamond ring, set with a 2.00ct emerald-cut emerald, in a four claw setting, with a pair of half moon diamonds set in the shoulders, in claw settings, mounted in platinum, made in our London workshop, Hallmarked for 2019.

Accompanied by a GCS certificate 79186-73, dated 13/11/18, stating that the emerald displays inclusions characteristic of Zambian emerald, with indications of moderate clarity enhancement.
