

## Edwardian Style Cushion Cut Diamond and Platinum Ring, 1.20 Carats £9,000.00

An Edwardian style solitaire diamond ring, set with an estimated 1.20ct old cushion-cut diamond, in our opinion the colour is H and our opinion of the clarity is SI2, in a millegrain edged rub over setting, with round brilliant-cut diamonds in the shoulders, in grain settings, with millegrain edges, mounted in platinum. Stamped with a French dog's head mark on the outside of the shank.
