

Victorian Gold Necklace / Bracelets, Circa 1860 **£15,000.00**

A pair of Victorian gold bracelets, with a woven design, featuring a row of flowers, superimposed on V shaped links, flanked by D cross-section links and diagonal links, with gold bead detail to each edge. The bracelets can be put together, to wear as a choker. With a concealed loop at the back so the choker can be worn with a pendant. In a fitted Edward Tessier box. The bracelets are circa 1860.
