

**Antique Niello & Gilt Silver Guard Chain Necklace | European c.1900 |
150cm
POA**

A strikingly elegant niello and gilt silver chain, crafted in Europe circa 1900.

Measuring 150cm, this elongated figaro-style guard chain features alternating links with fine black niello inlay - a high-contrast metallic technique - paired with warm gold-toned silver.

Originally worn to carry watches, lorgnettes or locket, this type of chain reflected style, wealth, and practicality in equal measure.

Today, it's an effortlessly cool statement - no pendants required. Loop it once, twice, or three times for layered impact.

Whether worn over a silk blouse, a turtleneck, or a crisp white tee, it balances antique edge with modern ease.

Glamorous, wearable history, just the way we like it.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
