

Moira Orange To Yellow Plique À Jour Enamel Flower Earrings **£7,950.00**

A pair of Moira flower earrings, with orange to yellow plique à jour enamel petals, ruby, pavé set centres and old-cut diamond set edges of the petals, mounted in gold, with silver settings, with dropping posts and clip backs. Signed and numbered 5511.

Moira's eponymous collection was inspired by clients searching for unusual jewellery that just couldn't be sourced anywhere. Influenced by nature itself, Moira put together a collection representing the forms of flora and fauna, employing what are now rare traditional setting techniques, old-cut stones and enamel in its various styles. The plique à jour method resembles rich stained glass. These romantic pieces are set to become the heirlooms of the future.
