

Ruby Diamond Gold Silver And Plique À Jour Enamel Flower Brooch **£4,750.00**

A Moira single rose flower brooch, with pavé set ruby petals, with old-cut and eight-cut diamonds and green plique à jour enamel leaves. Moira's eponymous collection was inspired by clients searching for unusual jewellery that just couldn't be sourced anywhere. Influenced by nature itself, Moira put together a collection representing the forms of flora and fauna, employing what are now rare traditional setting techniques, old-cut stones and enamel in its various styles. The plique à jour method resembles rich stained glass. These romantic pieces are set to become the heirlooms of the future.
