

**0.75ct Solitaire Diamond Ring. S.Greenstein
£1,950.00**

A lovely 0.75ct total diamond twist solitaire engagement ring set in 18k white gold. The central diamond weighs approximately 0.50ct, with approximately another 0.25ct surrounding. The substantial diamond clusters on the sides of the central stone help present the central diamond beautifully. The central diamond is approximately G/H colour, VS1/2 clarity. It's a beautiful piece. S.Greenstein & Co
