

**Blue Topaz Sapphire Pendant in 18ct White Gold date circa 1980,
SHAPIRO & CO since 1979
£2,250.00**

- Blue Topaz: 6.60ct approximately
- Sapphires: 0.04ct approximately
- 18ct White Gold

Q: Are Citrine and Topaz the same?

A: Citrine (quartz family) and Topaz are actually unrelated mineral species. Topaz belongs to the silicate mineral family, not quartz.
