Q: Is Vermeil better than Gold Plated ?

A: Gold Vermeil is of a higher quality than Gold Plated jewellery. ... But there's an important difference between the two: gold vermeil is of much higher quality than regular gold plating, ensuring your jewellery is made to last. Gold vermeil is of a higher quality than gold-plated jewellery.

Q: How long will Vermeil last?

A: How long does 18k Vermeil last? A lot of years! As long as you're taking care of it and storing it nicely, it should last upwards of 20 years or more! There's no reason to think that just because it's layered in gold it won't last as long as other gold pieces.

Q: What does a Vespa symbolise ?

A: Ever since Audrey Hepburn took control of her Vespa in the 1953 classic "Roman Holiday", the Italian scooter has been a symbol of joy and style and on its 75th birthday, many Italians remain fondly attached to theirs.
