- 18ct White Gold
- Date circa 1960
- Ring size Q

Q: What is a Bombe Ring?

A: 'Bombé' rings have an appealing rounded curving shape. The name 'bombé' comes from the French language and the Hollywood glamour of vintage bombé rings are often a larger overall size on the finger, created in impressive sizes and shapes, and seen in both platinum and gold. Bombe Rings reach their prime in the 1950s and 60s.
