

Rolex Submariner Date 16610 1995
£8,950.00

Here is another wonderful example of this iconic watch, a classic piece to enjoy knowing that it also is a very sound investment.

This 40mm Submariner Date is like new.

Reference number 16610, it comes with the sought after “T-25” Tritium dial, It has had a new bezel insert, bracelet and clasp recently fitted by Rolex. Its steel case houses Rolex’s calibre 3135 automatic movement.

This watch does not have its original box or papers however it does have a recent receipt from Rolex for its replaced parts confirming its model and serial number.

W-serial dating it to 1995

Ultimately its like a new watch!
