Wishbone Band Ring in 9ct tri-colour date London 1991, Lilly's Attic since 2001
£298.00

- 9ct tri-colour
- Date Hallmark for London 1991

Q: What finger do you wear a wishbone ring on?

A: If you have chosen a wishbone wedding ring, you should put it on first and wear it with the 'V' shape pointing toward the wrist. Alternatively, a diamond wishbone ring can be worn as a fashion piece on any finger with the 'V' shape pointing either way.
