

Gold & Diamond Locket | Art Nouveau Portrait | French c.1910s POA

A romantic, bohemian French locket from the early 1900s, cast in rich 18ct gold and shaped as a four leaf clover.

Each petal symbolises love, hope, faith, and luck, while the front features a finely sculpted female profile, her hair swept back and dotted with tiny old cut diamonds like constellations.

A lyrical piece that captures the spirit of Art Nouveau.
