

**A very Beautiful, "Floating Style", 1.23 Carat Diamond & Platinum Engagement / Cluster Ring, Pre-owned.
£5,450.00**

A very fine Platinum (tested), Diamond cluster ring, centrally "Rub-over" set, in the "floating style", with a stunning "Old Cut" Diamond, independently assessed as being of 0.88 Carats, G Colour and VS1 Clarity. The centre stone is surrounded by a gallery of 18 Pave-set Round Brilliant Cut Diamonds, and a further 4 small Round Brilliant Cut Diamonds to the shoulders, these additional Diamonds have been assessed as being of 0.35 Carats, F-G Colour and VS Clarity. The setting is millegrain edged and the Platinum shank is in the triple wire, reed style.

This classic, Art Deco style ring, is accompanied by an Independent Gemmologist's report confirming the above assessment.

Total Diamond weight: 1.23 Carats.

Dimensions: 1 cm x 1 cm, approximately.
