

**Downstairs at Grays: An Art Deco 0.73 Carat Diamond Engagement Ring, with Classic "Stepped" Diamond Shoulders, set in Platinum, English, Circa 1930
£5,650.00**

A classic Art Deco Diamond Engagement Ring mounted in Platinum (marked), centrally eight raised claw set with a fine Transition-cut Diamond of 0.73 Carats, G colour and VS2 Clarity, with four modified step-cut Diamonds, rub over-set to the graduating shoulders (2 on either side), these additional Diamonds are assessed as being of 0.38 Carats (in total), G - H colour and VS clarity.

Total Diamond Weight: 1.11 Carats

Accompanied by an Independent Gemmologist's Report confirming the above assessment.

It should be noted that G Colour Diamonds are exceptional for a ring of this period.

English

Circa 1930
