

STEVENS & WILLIAMS Crystal - Sterling Silver Collar ABBEY Pattern Decanter
£600.00

A rare Stevens & Williams Crystal decanter with silver collar.

Dated 1928, this is a rare crackle version of the Stevens & Williams "Abbey" pattern. Decanter is of compressed oval form. This design came out in 1928 and was not made for long.

Markings: Glass is unmarked. The silver is hallmarked for 1928, sponsor's mark is somewhat obscured through polishing.

Size: Measures 10" (25 cm) tall.

Condition: Damaged! Glass is cracked within the collar and is somewhat "lively" - this is a display only piece. There is a little detritus in the base of the body.
