

**Ruby Diamond Ring in 18ct Yellow/White Gold dated London 1977, Lilly's Attic since 2001  
£725.00**

Q: Who invented wearing rings?

A: The first wedding rings can be traced back to the Ancient Egyptians when they exchanged rings made from braided reeds and hemp. They placed these rings on the fourth finger of the left-hand as they believed that there was a 'vein of love' that ran from this finger directly to your heart.
