

**Pearl Ring in 18ct Gold date circa 1960, Lilly's Attic since 2001
£375.00**

Akoya Pearl: 9.6mm approximately

Q: What is special about Akoya pearls?

A: The Akoya pearl is known for its superb lustre and its perfectly round shape. Akoyas also have a beautiful colour consistency, making them often the pearl of choice for a woman's first strand of pearls.
